

Phoenix Metro Area Potential Diesel Emission Reduction Projects (from 6/30/05 Workshop)

Brainstorming Ideas

- 1) Bring E-85 into metro area
- 2) Make Biodiesel 20/B100 more available
- 3) Conduct Educational Campaign (Statewide) on diesel; outreach and communication with city managers and rural areas
- 4) Public Fleet Survey (work w/Rocky Mt. Fleet Managers Assoc.)
- 5) Training Center for Fleet (Diesel) Technicians (especially needed for mixed fleets)
- 6) School Bus Idling Reduction Campaign
- 7) Long-Haul/Corridor Electrification and Green Highway (access to clean fuels) e.g. along I-10. A Clean and Green Highway Corridor
- 8) Statewide Rule on Anti-Idling plus Enforcement

Priority Voting:

- 1) Training Center for Fleet (Diesel) Technicians
- 2) Green Corridor (Truck Stop/Other Electrification/Clean Fuels)
