

AGENDA

Marine Sector Workgroup

Thursday, June 15, 2006, 10:00 a.m. – 11:30 a.m. PT

Call-in Details:

Call-in Number: 620-635-9555, Passcode: 468804#

10:00 Welcome and Agenda Review

10:05 Maersk Switches Fuel in California

Following up on their announcement in late May, Jim Flanagan, APM Terminals/Maersk, will describe Maersk’s decision to voluntarily switch from bunker to distillate fuels in auxiliary and main engines within 24 miles of California ports.

10:15 Report from European visit

Collaborative partner Henry Hogo, South Coast AQMD, recently visited Europe to get a better sense of trends and thinking across the pond. Mr. Hogo will discuss some of what they learned, particularly in comparison and contrast to the North American West Coast.

10:40 Perspectives on the first month of the Baltic Sea SECA

Robin Meech, Marine and Energy Consulting Ltd, will join to share perspectives on the first SECA to be implemented – the Baltic Sea – which came into effect on 19 May, 2006. Mr. Meech will discuss implementation and compliance successes and challenges.

11:05 Report from AAPA HNE meeting

In early June, the American Association of Port Authority’s Harbors, Navigation and Environment Committee met in Vancouver, B.C. Meredith Martino, AAPA, will share the top issues related to air emissions emerging from that meeting.

11:20 Collaborative Updates

11:30 Adjourn
